Re: United States vs. Ross Hack et al.
Case No. 2:12-CR-063-PMP

Dear Judge Pro:

I am writing regarding the appointment of a “learned” counsel to assist in the case of Melissa Hack. Ms. Hack is currently charged in an Indictment dated February 20, 2012 with first degree murder within the territorial jurisdiction of the United States in violation of Title 18 U.S.C. §§ 1111, 7(3) and Title 18 U.S.C. § 2 (aiding and abetting). This Indictment contains special findings referencing the Federal Death Penalty Act as codified in Title 18 U.S.C. § 3591 et. seq. Ms. Hack is currently represented by E. Brent Bryson and Gabriel L. Grasso.

As the Federal Public Defender for the District of Nevada, I respectfully recommend that this Court appoint Kimberly C. Stevens as “learned” counsel pursuant to 18 U.S.C. § 3005. Ms. Stevens’ has significant experience in the area of federal death penalty litigation. As described in her attached resume, she has been appointed as learned trial counsel in the Middle District of North Carolina, the western District of North Carolina, the Western District of Virginia and the District of Puerto Rico. Ms. Stevens has also litigated numerous capital cases at the state level. In addition, Ms. Stevens has lectured nationally on a variety of topics dealing with death penalty litigation.

Prior to making this recommendation I have consulted with Capital Resource Counsel Mark H. Donnatelli, Federal Death Penalty Resource Counsel Project. Mr. Donnatelli agrees that, based on her background and experience, this is an appropriate case in which to order the appointment of Kimberly C. Stevens, Esq. as learned counsel.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,
